Our philosophy

A statuesque tree found in the tropical rainforest of Asia, the Angsana is best noted for its crown of flowers that bursts into a fragrant shower of golden-yellow blooms unexpectedly. The glorious Angsana beholds the maxim to live life and savour time as it passes inexorably.

**Sense of Serenity.** Calm your mind and draw in the serenity of your surroundings. Relax as our therapist welcomes you with a soothing foot wipe. Complete the Angsana Spa experience with some post-treatment time to shed the cares of the world over a herbal drink and refreshments. All Angsana Spa treatments come with a complimentary 30-minute Calm Time of refreshments and relaxation. Enjoy the difference.
